To Whom It May Concern:

It is with high regard that we write this reference letter on behalf of John Perpar and Par Mechanical. We have worked both directly and indirectly with John Perpar and Par Mechanical on numerous projects over the years - a relationship that started for me in 1994. The projects have ranged in size from small remodels to large and complicated custom homes.

We are continually impressed with Par's professional, timely and competent team. Moreover, John Perpar is organized, knowledgable and a pleasure to work with. We do and will continue to call on Par Mechanical in the future.

If you have any questions, please call me at 970-728-8877.

Sincerely,

Jodie Shike Wright
Architect
